2024 Intensive Summer Social Learning Skills Programs Ages 8 to 18

A transdiagnostic social learning skills program for children and teens. Over 2,100 students treated. **78% of parents rated the program as "EXCELLENT," 19% "VERY GOOD," & 3% "GOOD."**

LUNCH Groups® treats individuals diagnosed with ADHD/ADD, High Functioning Autism (previously Asperger's Syndrome), 2E, social shyness, selective mutism, and anxiety disorders, specific learning disorders, language challenges, and oppositional behavior. Other diagnoses are considered on a case-by-case basis. **Private pay, Regional Center, & School Contracts accepted.**

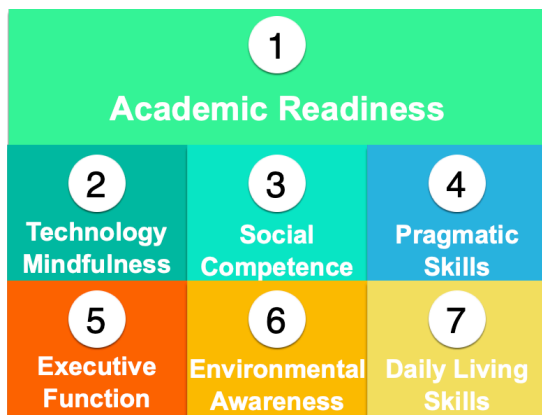

2024 Summer Schedule:

Upper Elementary/Middle School July 15-August 5 (Mon, Wed, Fri from 9:30 AM to 4 PM)
10 Sessions

High School July 16-August 6 (Tue, Thu from 9:30 AM to 4 PM)
7 Sessions

Treatment Approach

We combine research-based behavior management techniques, social learning theory and modeling, cognitive behavior therapy, psychoeducation, raffles, and ongoing parent meetings. By visiting naturalistic settings and practicing effective prosocial skills in real time, combined with a range of engaging activities and motivating technologies, participants increase their proficiency in key areas.

Major Areas Addressed

We have maintained an average treatment success rate of 76% for summer sessions over the past 10 years.

We'll be traveling to different LA-based locations via Touring Coach. Snacks and lunch included.

LUNCH Groups® was developed by Bruce M. Gale, PhD, Clinical Psychologist (PSY10598).
